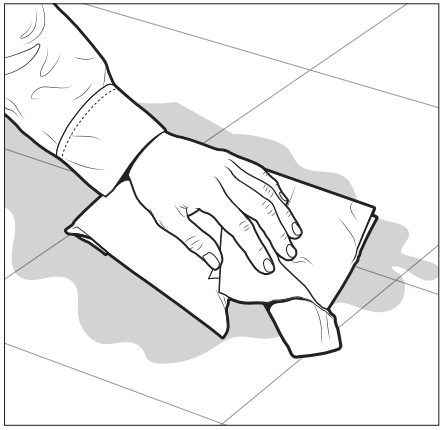
PIG Grippy Adhesive-Backed Floor Mat

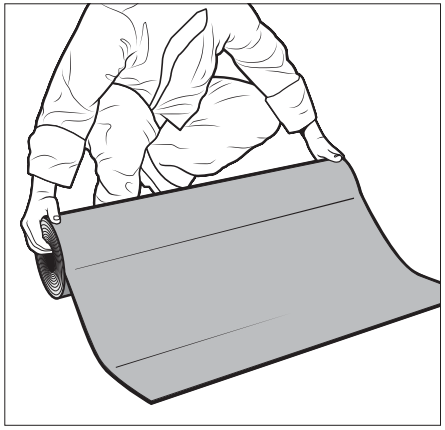
Quick Start Guide

Installation



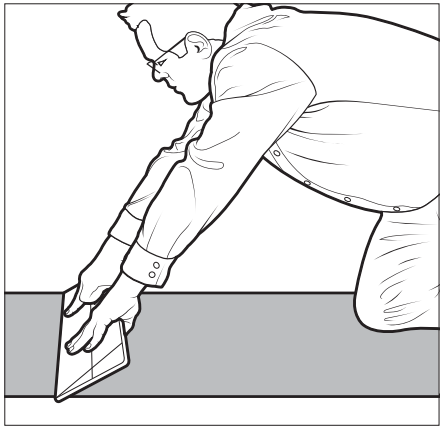
1. Prepare Floor

Clean and dry your floor to remove debris so PIG Grippy Floor Mat will properly adhere.



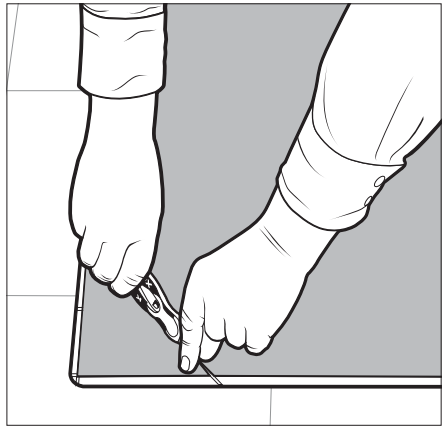
2. Roll Out Mat & Cut to Size

Position the roll so it appears straight. Unroll precut mats or unroll and cut to size using the Safety Knife (GRP012) and Installation Board (GRP001).



3. Stick It Down

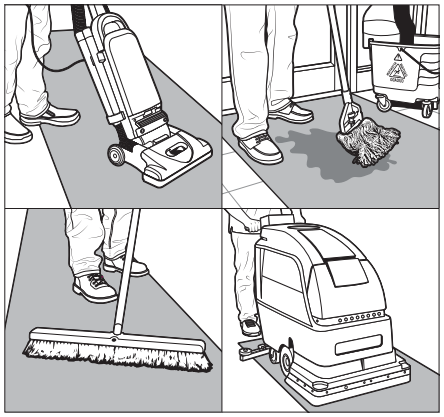
Smooth out mat and press it into place using the Installation Board.



4. Trim Corners

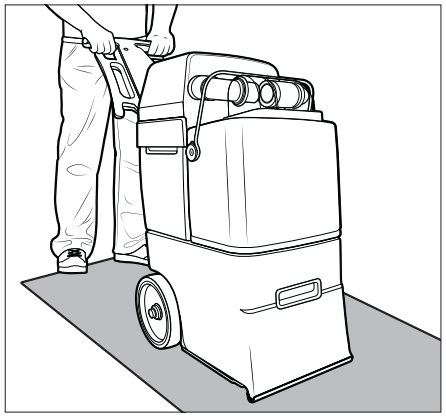
Cut angled corners to reduce lifting using the Safety Knife (GRP012) and Installation Board (GRP001).

Care & Maintenance



Everyday Cleaning

Sweep, mop, vacuum or scrub according to your protocols.

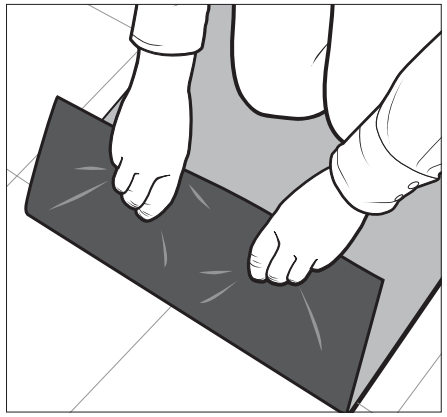


Deep Cleaning

Deep clean and remove stains with a wet vac, extractor or Rug Doctor®

Handling Excess Water

Excessive water, rain, snow or slush should be removed using a wet-vac, Rug Doctor® or extractor for best performance.



! Removal & Changeouts

Replace mat when it shows obvious signs of wear or a weakened bond to the floor. Peel up a corner and pull in a smooth motion.
