ACID NEUTRALISER POWDER

500g

ORDER CODE: H9423

Instructions for use:

USE WITH THE GUEST MEDICAL CHEMICAL SPILLS KIT

- Always wear personal protective equipment provided in the kit
- Apply powder to acid spillages slowly from the outside to the centre
- The mixture will turn **red** when the **spillage is completely neutralised**
- If permitted, the mixture can be flushed away with water without damage to the environment
- Otherwise, collect granule/spill mixture using disposable Guest Medical Hazard Scoops and Scrapers and discard into waste bag provided according to your organisational policy

Safety precautions:

- Guard against inhaling acid fumes
- Prevent creating splashes when applying the powder to the spillage
- Do not use on blood or body fluid spillages
